

OPEN BIBLE BAPTIST CHURCH

May 19, 2015

Dear Friends,

By now, you have heard that we lost our home to a storm. We have talked to Insurance commissioners, lawyers, and anyone who would listen. The policy states that the roof is under the maintenance of the home owner, therefore the insurance company will not pay for the roof to be replaced. We also learned that the home must be brought up to code. To get our home rebuilt and up to code will cost \$140,000.00. The insurance company will only pay \$20,000.00. At my age and all the ministry being under my name, I can not get a long term loan. A short term loan would be over \$4,000.00 for payments. I am praying and trying to raise as much as possible to put down to lower the monthly payments.

In forty years of being here in this ministry, the Devil has slowed me down at times, but has never stopped me. Moving forward is not always comfortable, but it is always right! With God's help this too will come to pass.

We had a great Easter Sunday. God showed up and 37 first time visitors got saved. We had a very large egg hunt and games for all ages. Our raw egg toss was the most fun for our people. Many frown on this, but it gives us a chance to preach the Gospel to a lot of people.

This year's Cowboy Camp-Meeting Revival was so blessed. We had 30 preachers come and represent their churches. They saw hundreds at the altar getting things right with God. Under the old tabernacle we had 38 souls saved during the week. Make plans now to be here next May(2016).

The K-4 and high school graduations were a blessing. To see four year olds read, speak, quote, and do math in front of hundreds of people is so great. The high school seniors thanking God for what He had done for them was amazing.

Mothers Day we had 48 moms in church and we were able to give each one a Mother's Day gift. This may not seem like a lot to you, but remember we are dealing with the Navajo who go to their clans for this day.

Please continue to pray for us. My promise to you is that I'll not turn my back on God.
Until He comes or I go,

Brother Chitty
