April 2015

Dear Friends,

April was fantastic for reaching souls! An amazing 2,912 walked the aisle for salvation and 1,529 were baptized! Many more thousands were saved in Bible clubs and meetings paid for by Russell Anderson! We are very grateful to him and you for all that is being accomplished for God.

First and second Cesar. My first Cesar on Wednesday soul winning in April was sitting in front of his tire shop waiting for a customer. His bull dog was sitting next to him which did not encourage me to witness to him but I did. He told me he had gone to a Baptist Church for two years but they had never explained salvation to him and he wanted to be saved. (That is common for convention Baptist Churches in Mexico. They don't want green fruit you know.) Cesar was sweetly saved.

He then told me Pastor I have been in prison for two years. He told me "I won't lie to you I deserved to be there." (It is always nice to meet honest criminals). He asked me "do you think there might be a place in your Church for someone like me. "I told him we had thousands of people like him and me and want more! Cesar's shop was right next to a graveyard by my house. I thought how great to receive eternal life next to a graveyard!

Second Cesar was on Saturday soul winning. We go as a Church soul winning on Wednesday to bring in converts for Thursday service and Saturday for Sunday morning and then Sunday afternoon to have Baptized converts Sunday night. God has given us Baptisms every service for many years now! We have many full-time soul winners who go out daily.

I was knocking doors when Cesar saw me and stopped me. He told me someone had invited him to our Church but he was a horrible sinner and did not know if he could be saved. (Oh how hard it is to win souls.) The truth is there are more sinners under conviction than there are soul winners to reach them.

Cesar stood in the street weeping as he received Christ! He told me Pastor I will be watching you and your family as you knock doors and make sure no one bothers you. God has protected us for many years now thanks to your prayers!

Please pray for our support and especially protection from kidnappings for our children and grandchildren. We love you and pray for you often.

In Christ

Kevin Wynne.
